This story was made for

Lily

Lily sails to Dinosaur Island on a big wooden ship. “Land ho!”

Big dinosaurs stomp across
the green, green land.
**Stomp, stomp, STOMP!**

Lily walks and looks.
Dinosaurs rest by
the sparkly lake,
and two fly up high!

The dinosaurs are gentle and kind. Lily pats a big nose. **Giggle, giggle!**

Up the green trail goes
Lily. “Rawr... rawr...” A
tiny dinosaur is lost
and all alone!

“Don’t worry,” says Lily. “I will help you find your family.”

Big footprints lead
up the volcano.
Up, up, up they climb!

At the top, it's Mama and Papa! Hugs and happy roars for everyone!

Time to go! Lily zips down the mountain on a jungle vine. **Wheeee!**

The sun goes down.
Lily waves. “Goodbye,
Dinosaur Island!”

# The End

See you again soon, Dinosaur Island!
